

## CALL FOR POSTER ABSTRACTS

FAHQ 2021 Annual Conference

October/November 2021, Virtual On-Demand

---

### SHARE YOUR INNOVATIONS IN HEALTHCARE QUALITY!

The 2021 Annual Conference will present vital information on efforts to embrace paradigm shifts, challenge our status quo and keep up with the pace of change in our lives. If you want to produce the best results, professionally and personally, and be effective in sustaining those results, join our speakers, poster presenters, and exhibitors for this timely conference. Come away with those vital strategies you can apply in your own work and personal life.

For the poster presentation sessions, we are soliciting healthcare professionals, educators, and students to present their research and collaborative practices. The poster session will provide you with the opportunity to share your work with our participants and contribute to our ability to manage change as we strive for organizational excellence in meeting the needs of patients, community partners and other customers.

The FAHQ 2021 Annual Conference will be held in a virtual on-demand format, with sessions pre-recorded and available to attendees for a period three-weeks. The application to present your work at our Educational Poster Presentation is included below. The application gives you the option of submitting work which falls into any one of three categories: Performance Improvement Project, Evidence Based Practice or Research. Accepted posters will have a 15-minute presentation pre-recorded for the virtual on-demand conference.

**Application Deadline: August 6, 2021.** Poster abstracts will be reviewed by the members of the FAHQ Conference Planning Team. Selection will be based on our identified criteria for application and topic relevance. Applicants will be notified of selection no later than **August 18, 2021**.

FAHQ recognizes successful quality improvement endeavors are a team effort and certainly we invite you to attend the conference with others from your team. However, if selected to present for the event you must designate **only one** primary poster presenter who will receive the 50% discount on conference registration.

This is an exciting time in healthcare. Many healthcare professionals are blazing new trails, which will benefit the thousands of patients we all touch in some way each year. FAHQ looks forward to receiving your application and learning from you!

# FAHQ Annual Conference Poster Presentation Application

This is an application to present your poster at the FAHQ Forward Annual Conference to be held in a virtual on-demand format in October and November 2021. Each application abstract will be blind reviewed by an independent team, none of whose members have submitted an application in the same area of practice. **All applications must be emailed no later than August 6, 2021.** You will be notified of selection no later than **August 18, 2021**. Applicant must be available to record their 15-minute presentation during the last two weeks of September 2021. A one-page handout should be submitted for distribution for those attending the virtual on-demand Annual Conference. *We applaud you for taking this step to improve the healthcare quality field by sharing your work!*

## CRITERIA for Application and Presentation:

1. Presentation must demonstrate a performance improvement project, evidence-based practice or research, supported by evidence of process or outcomes measures.
2. Presentation will be pre-recorded and available to conference attendees as on-demand content for a period of three weeks in October and November 2021. The primary presenter or a representative should complete the pre-recorded session. Presenter will not need to be available at a specified time during the three-weeks but will have contact information available to attendees should they have additional follow-up questions. Please be sure your presentation meets the standards on the attached poster presentation guidelines.
3. Accepted presenters will receive a 50% registration fee discount to attend the FAHQ Forward Annual Conference.

## Poster Title:
