

NORTH CAROLINA ASSOCIATION FOR HEALTHCARE QUALITY

In Collaboration with . . .

Join your Quality and Safety colleagues
for an educational webinar!

Registration:

[Click Here!](#)

Deadline: Monday November 14th at 1700 EDT

Course Fee:

NCAHQ, OrAHQ, AzAHQ, MAHQ, GAHQ
NEAHQ, FAHQ & OAHQ Members—**FREE**

Non-Members/ACHE —**\$15**

This program is approved for 1 CE hour for CPHQ®. CPHQ approved hours can be applied to other certifications. NCAHQ has partnered with the Triangle Healthcare Executives' Forum of NC (THEF) to offer 1.0 hour of Qualified Credit toward advancement or recertification in the American College of Healthcare Executives (ACHE). Participants should list attendance in their ACHE profile for applied credit.

Standardization is the key to improving quality. The industry-standard **Healthcare Quality Competency Framework***, developed by **NAHQ®**, was created by a diverse group of healthcare quality leaders and twice validated in the market—by those doing the work and by those leading the work. These experts categorized healthcare quality work into **eight domains**, which are comprised of **29 competency statements** and 486 skill statements, stratified by Foundational, Proficient and Advanced levels. [Learn more](#) about the Framework.
