

## AzAHQ Presents:

# The Intersection Between Healthcare Risk and Quality Management

Thursday, Nov 21<sup>st</sup>, 2024  
10:00 to 11:00 am Az/Phoenix/MST

Register by Nov 20<sup>th</sup>

**Description:** The Intersection of Healthcare Risk and Quality Management presentation will provide attendees with an understanding of the historical evolution of quality management and clinical risk management in healthcare. The overlap of clinical risk management with quality and patient safety will be explored. Attendees will leave this presentation with an in-depth understanding of the evolving roles between clinical risk management, quality, and patient safety.

**SPEAKER: Erin Adams, JD, BSN, RN |**

Director Clinical Risk Management Academic Medical Division | Banner Health

Ms Adams, a practicing attorney in Texas, graduated from Angelo State University with a Bachelor of Science in Nursing and Texas Tech University School of Law with a Doctor of Jurisprudence. Erin has over 20 years of healthcare experience providing expertise and leadership in the areas of clinical risk management, quality, patient safety, regulatory compliance, medical staff services, claims management, and insurance administration.

**FREE for active members of participating  
HQ Collective associations**
