

THE OREGON ASSOCIATION FOR HEALTHCARE QUALITY (ORAHQ)
Presents:

Educating our Future Workforce: Transforming Healthcare Delivery

INSTRUCTOR:

CARRIE KAELIN, MHA, RHIA, SSBBP

Over the past 25 years, Carrie Kaelin has actively practiced health informatics and information management in leadership, consulting, and staff positions in a variety of healthcare settings including managed care and Medicare insurance plans, acute care facilities and clinics, critical access hospitals, and skilled nursing facilities. She has also taught in both traditional and online HIT/HIM programs. Her current professional interests are public health, healthcare policy, revenue cycle & resource management, process and quality improvement, and ethics in healthcare among many others.

Carrie has a Bachelor of Science degree in Health Information Administration from University of Cincinnati and earned her Registered Health Information Administrator (RHIA) credential from the American Health Information Management Association (AHIMA). She also has a Master of Science degree in Health Care Administration (MHA) from the University of Washington.

Additionally, she is a certified Six Sigma Black Belt Professional (SSBBP). She formerly served as President for the Tacoma Area Health Information Management Association (TAHIMA) and Delegate on the board of the Washington State Health Information Management Association (WSHIMA) and is a current member of the WSHIMA Education Committee and the WSHIMA Membership Committee. Outside of work, Carrie enjoys spending time with friends and family, including her Jindo & Husky pups, as well as hiking, kayaking/SUP, cycling, attending concerts/festivals, and traveling.
