Joint Commission Accreditation 360: Experiences With a New Survey Process (Webinar)

Date: 18 November 2026 **Time: 4:00pm - 5:30pm EDT**

Join us for an in-depth look at recent changes to Joint Commission's survey process, as well as one hospital's experience with their triennial hospital survey. Highlights of this session will include an overview of Tufts Medical Center's regulatory readiness strategy, some opportunities identified during survey, and how hospital leaders resolved these issues to make their survey efficient and successful. This program is ideal for regulatory professionals, quality leaders, and anyone who is interested in ensuring success with regulatory compliance.

Speakers:

Dan Morrissey, MBA, MPH
Manager, Regulatory Readiness, Tufts Medical Center

Dan leads the Regulatory Readiness program at Tufts Medical Center, focusing on staff education and empowerment, sustainable approaches to survey readiness, and coordination with regulatory agencies. In addition to the triennial hospital accreditation survey, he supports additional Joint Commission certifications in Ventricular Assist Devices and the hospital's Comprehensive Stroke Center certifications, in addition to several other accreditations and certifications.
